

## CIT 2019 Guideline DARE / HEAR Reduced points Quota places

There is a guideline quota of 5% of reduced points DARE places and 5% of reduced points HEAR places on all first year full-time Cork Institute of Technology (CIT) undergraduate courses.

Please note that the numbers of DARE / HEAR places on individual courses below are guideline numbers. They are based on a 5% quota of the 2018/19 total numbers for each course.

Eligible DARE / HEAR applicants must meet the CIT DARE / HEAR criteria in order to be considered for a CIT DARE and/or HEAR reduced points place.

More information about the CIT DARE / HEAR criteria and how CIT DARE / HEAR offers are made is available at:

• DARE: www.cit.ie/dare

• HEAR: www.cit.ie/studentlife.access disability.hear

Please note: **CK409 Industrial Physics** and **CK606 Architecture** are joint UCC (University College Cork)/CIT courses and DARE / HEAR offers are made by UCC for these courses.

<sup>\*</sup> The points for these courses are calculated from a combination of two scores – a score given for an entrance test, audition, or portfolio (where there is a minimum score that applicants must meet) <u>and</u> the applicant's Leaving Certificate points. Please note that when making DARE / HEAR offers for these courses that **CIT only considers a reduction for the Leaving Certificate points portion** as applicants must meet the minimum requirements for these courses.
