

CIT 2020 Guideline DARE / HEAR

Reduced points Quota places

There is a guideline quota of 5% of reduced points DARE places and 5% of reduced points HEAR places on all first year full-time Cork Institute of Technology (CIT) undergraduate courses.

Please note that the numbers of DARE / HEAR places on individual courses below are guideline numbers. They are based on a 5% quota of the 2017/18 total numbers for each course.

Eligible DARE / HEAR applicants must meet the CIT DARE / HEAR criteria in order to be considered for a CIT DARE and/or HEAR reduced points place.

Please note: **CK409 Industrial Physics** and **CK606 Architecture** are joint UCC (University College Cork)/CIT courses and DARE / HEAR offers are made by UCC for these courses.

* The points for these courses are calculated from a combination of two scores – a score given for an entrance test, audition, or portfolio (where there is a minimum score that applicants must meet) and the applicant’s Leaving Certificate points. Please note that when making DARE / HEAR offers for these courses that **CIT only considers a reduction for the Leaving Certificate points portion** as applicants must meet the minimum requirements for these courses.

Places on the course are allocated according to rank achieved as a result of the assessment procedure. DARE / HEAR offers for these courses will be considered for these courses.
