Guideline DARE / HEAR Reduced points Quota places 2022

There is a guideline quota of 5% of reduced points DARE places and 5% of reduced points HEAR places on all first year full-time Munster Technological University - Cork campus undergraduate courses.

Please note that the numbers of DARE / HEAR places on individual courses below are guideline numbers. They are based on a 5% quota of the average number of places accepted for each course from 2020 and 2021.

In order to be considered for a DARE and/or HEAR reduced points place, eligible DARE / HEAR applicants must meet the minimum entry requirements for the chosen course (please check these for each course at: www.cit.ie/courses.caocourseslist) and MTU DARE / HEAR criteria (available on our webpages listed below).

Please see the Notes section at the end of the document if a course has one of these symbols # ~ beside their name.
