Congratulations to your family member on achieving their university offer and for choosing MTU. We hope that all students have a fulfilling and enjoyable university experience.

The transition to third level education can be quite daunting for many students and we at MTU endeavor to make that transition as smooth as possible. There are many supports and services available to students, not only for this transitional period, but throughout their time at MTU.

**Meet and greet at 2pm
General Introduction at 2.30pm
