

Directions to Separate Centres MTU Bishopstown

To get to the Melbourn building from the main campus you can go through the circular courtyard and go to the main entrance road to MTU Bishopstown Campus as if you are leaving MTU Bishopstown Campus. [?](#)

At the last pedestrian crossing before you reach the Melbourn Road roundabout there are steps that lead down to the Melbourn Building.

For Rooms 1, 2, 3 and Exams Meeting Room

At the bottom of the steps take the left path - the Main Exam Hall is to the left of the Architecture Department Building. Students who cannot manage steps need to follow the pavement around to the main entrance of the Melbourn Building and follow the walkway to the left of the building.

Follow the path through the car park to the Exam Centre. There is a wheelchair access ramp available outside.

Exams Meeting Room

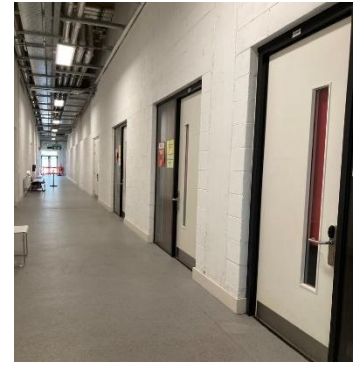

once inside the Exam's meeting room is on the left, this is a smaller shared Room used occasionally.

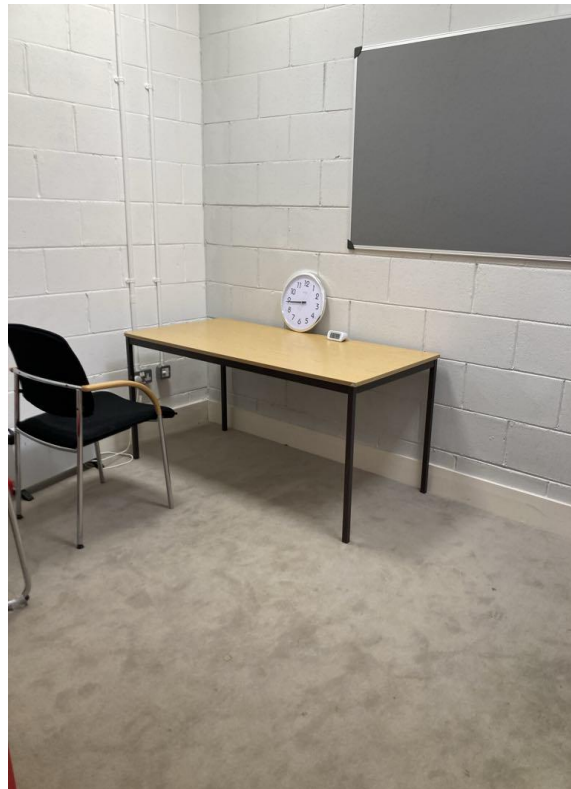

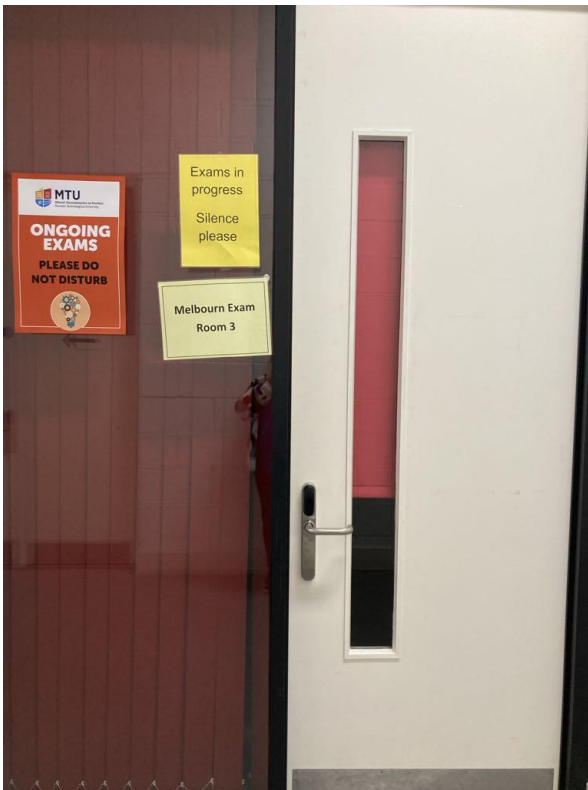

Separate Centres Rooms 1, 2, and 3

Turn right as you come in the door and you will be facing the main hall, on the left you will see double doors leading to a corridor with the three separate centres. Once you are on the corridor please go to your assigned Room and your Invigilator will meet you there.

A Typical Separate Centre

DIRECTIONS TO THE DSS ROOM

At the bottom of the steps to the Melbourn building take the right-hand path and follow it past the building until you see a wheelchair Ramp.

Walk up this ramp and the entrance to the DSS Room is there, your Invigilator will be waiting for you at your assigned time. Please contact us on 021 4335090 if you have any difficulty finding your room.

You can also call the Exams department by going to the hatch on the right of the Exams Meeting Room and asking for DSS Support Staff.
