**Fill out the Online Application Form** The online DSS application form is available from September on our website - under Disability Support

# Provide evidence of disability

This can include documents that give evidence of your learning difference, disability, or health condition such as a diagnosis or receiving supports in education.

Please email <u>dssCork@mtu.ie</u> a copy if you have not sent these already through the CAO/DARE.

# **Needs Assessment**

You will then have a meeting with the DSS and receive a needs assessment document which confirms your reasonable accommodations and supports. This is sent to your MTU student email.

#### **DARE Students**

If you applied to DARE through the CAO, the DSS will receive your information and documents but you still need to apply and fill out an application to the DSS for supports
