CIT and BICS National Societies Awards

To be elected as a Society committee officer is a huge bonus for your CV and provides an opportunity to develop communication and team work skills. Committee Officers that successfully complete a year on a committee are presented a Certificate of Merit at the annual Societies Awards

Awards are also presented to society groups and individuals to acknowledge significant contribution to campus life.

CIT is a proud member of BICS, the national organization for student societies. Each year CIT is represented at the National society awards
